Mr. Max Hugel  
Deputy Director for Administration  
Central Intelligence Agency  
Washington, DC 20505

Dear Mr. Hugel:

The third scheduled inspection by the Information Security Oversight Office (ISOO) of the Central Intelligence Agency's (CIA) information security program was conducted by Harold Mason and Jane Payne in three offices of the CIA on April 8, 1981. The offices reviewed included (1) DDA/ODP, (2) NFAC/OCO, and (3) DCI/OLC.

No serious deficiencies requiring immediate attention were detected during the course of the inspection; therefore, as mentioned in prior correspondence, no formal inspection report will be submitted at this time. A final report will be submitted after all scheduled CIA inspections have been conducted.

Please convey my appreciation to the CIA officials who continue to provide excellent support to Mr. Mason and Ms. Payne.

Sincerely,

STEVEN GARFINKEL  
Director
